120/18 Matters Arising from Previous Committee Meetings – Appendix B

Minute Number	Item	Current Position	Action from meeting
88/18 (66/18)	Northumberland Local Plan – Spring 2018 Consultation	<p>Members were provided with a response from NCC to questions raised regarding the Loansdean/Stobhill Link Road and the site West of Lancaster Park.</p> <p>1. Link Road The proposal in the Draft Local Plan is to safeguard land associated with the Stobhill-Loansdean link road. The purpose of this is essentially to ensure that proposals for other developments that could impact on the line of this potential route and therefore impact on the ability for this to be constructed sometime in the future.</p> <p>I am not aware of proposals at the moment to fund and construct this road but I have copied my colleague Stuart McNaughton into this email who may be able to advise further on the status of this scheme and the next steps.</p> <p>2. Site west of Lancaster Park This site currently has planning permission for a mix of employment uses, housing and open space. The area of the site that has planning permission for housing development is shown on the Policies Map that accompanies the Local Plan for information only and is not an allocation in the Local Plan for housing. The Draft Local Plan does, however, allocate the area of land that has planning permission for employment uses.</p> <p>If the planning permission is not implemented, the area with planning permission for housing would revert to being safeguarded land in the Local Plan (it is not within the area of proposed Green</p>	<p>Information duly noted.</p> <p>To chase NCC officer, Mr McNaughton, for further information.</p>

		<p>Belt and is outside the settlement boundary for Morpeth identified in the Morpeth Neighbourhood Plan). This means it is not allocated for development in the Local Plan but could be considered for development beyond the period covered by the current plan or at a time when the Local Plan is reviewed. The employment allocation would remain in the Local Plan if the application were not implemented as it is proposed to be an allocation. It is also worth mentioning that the southern part of the planning application site included areas of open space with public access and it is proposed that this area is designated as Green Belt in the Draft Local Plan.</p>	
92/18	Morpeth Neighbourhood Plan Housing Policy	<p>The Deputy Clerk advised members that NCC have responded to the concerns raised regarding the Morpeth Neighbourhood Plan (NHP) and in particular its housing policies continue to carry full weight in planning decisions, in light of recent press coverage. NCC confirmed that their position is that the housing policies within the NHP should be given full weight and it is evident from Chapter 7 of the NHP that a range of evidence sources were used to define a minimum number of houses to be delivered in the Morpeth area. It was suggested by NCC that they meet with councillors to discuss any issues or concerns regarding this matter.</p>	<p>Information duly noted.</p> <p>To arrange a date for a pre-meeting prior to the next appropriate P&T meeting.</p>
93/18	Consultation on Street Naming and Numbering	<p>Members were advised that following discussion between NCC and the developers of 94 Newgate Street, the name for the development will be Northumberland Gardens, and not Scholars Court as suggested by this committee.</p>	Information duly noted.
99/18	Local Council Issues – For Sale Signs	<p>Members were advised that following concerns raised regarding the number of For Sale signs on the highway, particularly in the Kylins area, NCC have contacted the relevant estate agents and the signs have been removed. Estate agents do not need to apply for</p>	Information duly noted.
