Dear Resident

**RE: Howard Road.**

As part of Northumberland County Council continued improvement programme Howard Road, Morpeth has been identified as requiring essential repair work.

Essential repair works are planned to commence on Monday 8 February 2021 under a road closure, which will last for upto 14 days. To keep disruption to a minimum we will then carry out resurfacing works from Monday 22 February 2021 also under a road closure for 5 days. The closures will be active between 09:30 and 15:00 each day.

Throughout the duration of the works residents will be able park in any NCC managed car park in Morpeth without time limit, while displaying a valid M1 parking permit.

Every effort is made to reduce disruption for the residents and road users, pedestrian access will be maintained at all times as will access for emergency vehicles and residents. If you require any site-specific requests please do not hesitate in contacting us directly prior to the works. However, site staff will be available and make every effort to deal with any problems that may arise during the works.

Should you need any further information, request for onsite assistance or have any questions regarding the works please contact Mark O'Neil (07841 067947) or Alex Greenhaugh (07966 323662) .

I would like to thank you in advance for your cooperation in relation to this scheme and apologise for any inconvenience caused during these works.

Yours sincerely

Alex Greenhaugh  
Highways & Structures Technical Assistant
