

Review of the Year 21/22

The Town Council manages a wide variety of services and events which take place throughout the year, unfortunately these have been significantly reduced over the past two years due to the global pandemic. The Town Council's staff have continued to work throughout the pandemic, continuing to provide a service to the Morpeth community.

While very limited events have taken place, the workforce has continued to ensure that the buildings, assets and open spaces are maintained to the highest standards. The Government has now set out its roadmap to recovery, allowing life to return to normal it is hoped this continues on track and the public events return to normal without any further interruption.

Services

The Town Council provides and maintains:

- 23 bus shelters throughout the Town
- Over 200 bins
- 130 dedicated seats
- Noticeboards
- 6 play areas at Stobhill, Montrose Garden, Stobhill Manor, Church Walk, Boundary Drive and Carlisle Park
- Paddling pool
- Public toilets
- 5 allotment sites at Middle Greens, Duncan Gardens, Abbots Way, Wellwood Gardens, St Mary's Field. Tommy's Field is owned by the Council but managed by Tommy's Field Allotment Association.
- Flower beds
- St James Community Centre
- The Pavilion Café
- Skatepark

Morpeth NEAT Team

The Council employ a dedicated team who are responsible for carrying out a grounds maintenance service to Council owned land at regular intervals throughout the year. The team have continued to work throughout the pandemic ensuring that all of the Council's responsibilities have been met. This includes mowing grass within boundaries of the play areas during the growing season; maintaining and strimming verges, cutting hedges, applying herbicide to remove weeds and moss from all play areas as well as maintaining fencing and pathways.

The Morpeth NEAT team also carry out any other additional maintenance/repairs as and when required. Below is some of the work carried out this year.

- Plays areas maintenance/repairs highlighted from Insurance and ROSPA reports;
- Clearing vacant allotment sites;
- Installation of litter bins;
- Maintenance at the Cenotaph;
- General maintenance/repairs at Community centres;
- Installation of seats;
- General maintenance/repairs to Council assets;
- Graffiti removal;
- Cleaning all street furniture;
- Planting, weeding, removal of rubbish etc.
- Regular river inspections including monitoring the wildlife any river and other river issues, working closely with the Environment Agency and other relevant organisations.

The team have also taken over the maintenance of the bowling greens and surrounding areas as Carlisle Pavilion became the property of the Town Council on 9th March 2020 following a Community Asset transfer from NCC.

The Pavilion Cafe

Work began on the Pavilion in September 2020 and was completed in Spring 2021. The café opened its doors for a takeaway service on 24th May 2021 in line with the Government restrictions.

Customer feedback has been extremely positive, and the footfall has continued to grow despite the various challenges due to the ever changing Government guidance. The Council have been successful in having the covenant restricting the sale of alcohol in the pavilion removed by the descendants of the Countess of Carlisle who generously gifted the park in 1916 to the Borough of Morpeth. A licence to sell alcohol was granted by NCC and it is hoped that the café will commence with the sale of alcohol in the near future.

As life continues to return to normal it is hoped that the number of events taking place at the Pavilion Café and surrounding outdoor space will increase over the coming months.
